

USING THIS FORM: 1. Please complete the below information and send to your preferred Merchant for processing.

And/Or email:

sales@epb.co.nz

2. Fill Ivory shaded boxes where necessary. Light Blue shaded boxes indicate selection drop down boxes.

3. Orders requiring several locations or groupings on site, E.g. Level 1 Walls, Level 2 Ceilings, Unit 1, Unit 2 etc., use the extra tabs below or a new page for each location or group.

When using the spreadsheet and if 5 or more groupings are required, it is recommended to use a new order form template as new tabs totals wont add into the Combined group totals.

4. Save the spreadsheet as the unique Project site name or address.

N.B. All orders are subject to the Merchant and EPNZ Limited confirmation.
